## PURSUING GOSPEL UNITY

### **August 20 – Gospel Unity**

Main Idea: The Gospel unifies us to commit to the church and its mission.

Scripture: Ephesians 4:1-6, Romans 12:3-8

#### **Open**

The subject of unity seems to be a hot topic right now in western culture and in our country. Why do you think unity is an important subject to God?

On Sunday, we talked about Gospel Unity, particularly in the church. Together let's review the passage of scripture that we read together and examine how the Gospel moves us toward unity.

#### **Reflect**

Read Ephesians 4:1-6.

Paul begins writing about unity by "urging them to walk in a manner worthy of the calling to which you have been called." What is the calling to that they have been called to? What does it mean to walk in that calling?

What does Paul base his call to unity on? When it comes to unity what makes the basis on that unity important?

#### **Apply**

What are the joys and benefits of being unified in the Gospel?

How does the call toward unity expose our need for the Gospel in our lives?

What is one step that you can take this week to help bring unity to your community group or church?
