### **June 18 – Gospel Centrality**

Core Value: We believe in the centrality of the Gospel. The Gospel of Jesus affects every area of our lives.

Heart Change: Does the Gospel shape every area of my life?

Church Emphasis: Everything we do should attempt move people closer to knowing and obeying Jesus.

### **Open**

Show the page with the picture illusions and ask what people they see. Each illusion has two different viewpoints to it.

What do you causes us to see one part of the illusion before the other?

What do you think this teaches us about how we see the world around us? Specifically our faith and our understanding of the Gospel?

### **Reflect**

Read 1 Corinthians 15:1-11.

Why is Paul reminding the Corinthians about the Gospel?

According to this passage, what are some of the core facts of the Gospel?

Why does Paul consider himself “untimely born” and “unworthy?” How does this communicate the power of the Gospel?

### **Apply**

Paul shares that “the Gospel...is by which we are being saved. He uses a phrase that is actively still occurring. How is the Gospel still saving us?

What does it look like for the Gospel to keep transforming us?

The Gospel is central to the life of a Christian. When it is not in the center, is when we often began to doubt and wander away from God. What areas of our life are we not seeing with Gospel lenses?
