Open

When somebody makes a promise to you, how do you know they will keep it?

Can you be 100% sure?

As continue to look at the Greatest Story Ever Told, we find God makes many promises throughout the Bible some have kept and some have yet to be fulfilled. Together as we look at the promises of Christmas, may we be challenged to trust God and rest in his grace.

Reflect

Please take a moment to read 2 Samuel 7:1-17.

What does David's initial desire to build a temple for God tell us about his heart toward God?

What are the promises that God makes to David? (Both present and future promises?)

How is this promise connected to Jesus? (Hint: Read Luke 1:32, Isa 9:6-7)

Apply

What does this promise of God and how it was fulfilled teach us about the character and heart of God?

When God makes a promise to you, how do you know if he will keep it?

What areas of your life do you find it difficult to trust God?
